My transition plan

**Worcestershire
Acute Hospitals**
NHS Trust

The Paediatric Diabetes Service aims to support you as you grow up and gradually help you develop the confidence and skills to take charge of your own healthcare.

Please complete this checklist before you see your diabetes team today in clinic, as this will support you to explore your knowledge and skills. It will also help your diabetes team to learn what advice and support they need to offer you in order to help you better.

Name: **Date:**

Knowledge and Skills	Yes I can do this and don't need any extra advice	I would like some extra advice/help with this	Comments
Knowledge			
I can describe my diabetes			
I know my insulin treatment – names, doses, how often to take them			
I know who to tell if my Blood Glucose (BG) is high or low			
I know how to recognise and treat my Hypos (Low BG) and what support I may need			
I know when to test for ketones and who to ask for support			
I know who's who in my diabetes team			
Health & lifestyle			
I am able to test my blood glucose without anyone helping			
I am able to give my injections/boluses without anyone helping			
I am able to help with carbohydrate counting at home and work out my insulin dose

Knowledge and Skills	Yes I can do this and don't need any extra advice	I would like some extra advice/help with this	Comments
Health & lifestyle continued...			
I understand what healthy eating means for both my general health and my diabetes			
I am aware that my diabetes can affect how I grow and develop and the reverse – how puberty can affect diabetes			
I understand the risks of alcohol and drugs both to my general health and my diabetes			
Daily living			
I can make my own snacks/meals			
I am responsible for particular household chore(s)			
I always carry a BG meter, hypo treatment and diabetes ID			
I am able to manage my diabetes if I stay away from home overnight			
Self advocacy (Speaking up for yourself)			
I feel ready to start preparing to be seen without my parents/carers for part of my clinic visit in the future			
I ask my own questions in clinic

Knowledge and Skills	Yes I can do this and don't need any extra advice	I would like some extra advice/help with this	Comments
School and your future			
I know what I want to do when I leave school			
I am managing at school e.g. getting to and around school, work, PE, friends etc			
Leisure			
I can use public transport and access my local community, e.g. shops, leisure centre, cinema			
I see my friends outside school hours			
Managing your emotions			
I know how to deal with unwelcome comments/bullying			
I know how to deal with emotions such as anger or anxiety			
I know someone I can talk to when I feel sad/fed-up			
I am comfortable with the way I look to others			
Transfer to adult care			
I understand the meaning of 'transition' and transfer of information about me
