

Adult Diabetes Centre – Worcestershire Royal Hospital

The diabetes centre for adults is located in **Aconbury West**, as indicated by the maps below:

The front of the building looks like this:

Adult diabetes is located on the **first floor**. You can either take the stairs, which are straight in front of you as you come through the main entrance. Follow the green signs for Tier 3 Service...

Ground floor

...or you can take the lift, which is on your right as you come through the main entrance.

Ground floor

First floor

Go to the reception desk and let the receptionist know you have arrived for your appointment.

You will be asked to take a seat before having your height and weight taken.

After taking a seat once more, you will be called into one of the clinic rooms.

When your appointment is finished, go back down to the ground floor via the stairs or lift and leave through the main entrance.
