Introduction

The purpose of this guideline is:

• In accordance with the requirements of the Bowel Cancer Screening Programme, screening centres must have a protocol for handover of responsibility for referral of patients with suspected pathology from BCSP to a named clinician at a treating hospital.

- In addition, screening centres are required to have prearranged referral pathways for any patients who need further investigation or treatment outside BCSP.
- To ensure patients requiring a referral to a tertiary centre following a procedure, and discussion at MDT (Multi-Disciplinary Team) meeting, is completed in a timely manner.

Details of Guideline

This guideline applies to Specialist Screening Practitioners (SSPs) working within the Herefordshire & Worcestershire Bowel Cancer Screening Programme.
